Pilot's
Courage to
Say "No"**

"We, Air Force pilots who have always served on the front lines, willing to carry out any mission to defend and strengthen the State of Israel... refuse to continue to harm innocent civilians. These actions are illegal and immoral, and are a direct result of the ongoing occupation which is corrupting all of Israeli society."

Israeli Air Force pilot Yonatan Shapira served as a senior officer in the elite "Black Hawk" helicopter squadron for 11 years. In 2003, he authored a "Pilot's Letter" declaring his refusal to participate in aerial attacks on populated areas in the Palestinian territories; the letter has since been signed by 26 other pilots.
